

OUR COMMITMENT

At Jomo Livestock Limited, we are committed to raising healthy, high-quality goats and sheep through best practices, excellent care and sustainable management.

HEALTHY STOCK

We prioritize animal health and biosecurity to deliver strong, resilient goats and sheep.

SUSTAINABLE PRACTICES

We use environmentally responsible methods that support animal welfare and the communities we serve.

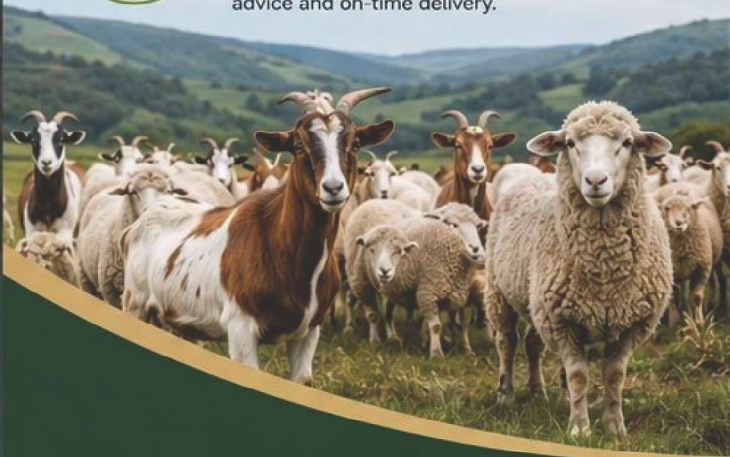

QUALITY ASSURED

Our animals are carefully bred and managed to meet the highest standards of quality.

CUSTOMER FOCUSED

We build lasting relationships by offering reliable service, expert advice and on-time delivery.

OUR ANIMALS

GOATS

We raise healthy, hardy goats suitable for meat production, breeding and income generation.

- ✓ Strong and adaptable breeds
- ✓ Excellent growth and reproduction
- ✓ Well managed and disease controlled

SHEEP

Our sheep are carefully selected for quality meat production, breeding and wool.

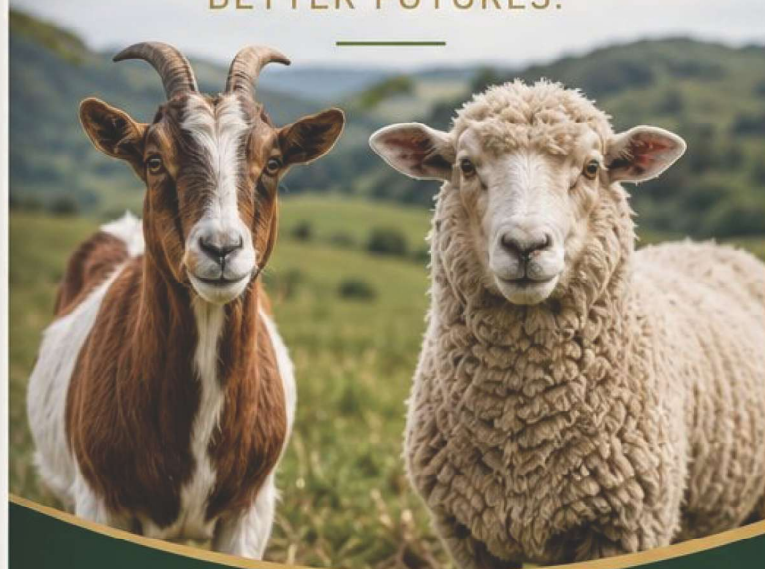

- ✓ High quality meat breeds
- ✓ Good fertility and productivity
- ✓ Well cared for and healthy stock

“
Quality animals. Reliable service.
Better livelihoods.”
